

To order [One Nation Under God](#)

***One Nation Under God*** celebrates the fact that the Pledge of Allegiance honors our nation as rightfully under the Almighty's divine authority and sovereignty. It was painted in response to recent court attempts to remove the phrase that acknowledges God from our Pledge and our schools.

*"My husband, Kevin, had spent two days seeking God, fasting and praying, before Valentines Day 2005. At our romantic Valentines' dinner, surprisingly, he announced that he would refocus his career as a very successful executive in wealth management to support my career as an artist. He felt inspired that I should immediately paint two subjects in particular, 'One Nation Under God,' (based on the Pledge of Allegiance) and 'Struggling to Kneel,'(inspired by a story we heard from Attorney General John Ashcroft). By God's providence we received confirmation of this vision just three days later with a call from the Republican Party of Placer County, California, inviting me to design an invitation for their May 2005 Gala. The theme they had selected? One Nation Under God! The keynote speaker? John Ashcroft! God is truly amazing!"*
